Opening Oh the foam

Opening on the foam

Hicham Berrada, Julius von Bismarck, Thea Drechsel, Sven Drühl, Felix Kiessling, Fabian Knecht, Andreas Mühe, Maximilian Rödel, Iulian Rosefeldt, Sarah Ancelle Schönfeld, Willem Ian Smit. NasanTur, Raul Walch among others.

The exhibition picks up the history of the Schloss Sacrow in an unusual way and puts it into a new perspective: it combines romance and current policies, pictures the tradition of beauty and longing as known from the 19th century, combining it with moments of latent violence in the 21st century. Concept by Lydia Korndörfer, scholar of the first CAA-scholarship for curatorial practice, 2015.
